

DATE: Day 17Month 5Year 2022

**SUMMARY of  
2021RESEARCH RESULTS REPORT  
For International Collaborative Research with IPR, Osaka University**

<b>Research Title</b>		Structural insight into cold adaptation mechanism of FK506-binding protein from psychrophilic bacteria
<b>Applicant</b>	<b>Name</b>	Cahyo Budiman
	<b>Affiliation</b>	Universiti Malaysia Sabah
	<b>Present Title</b>	PhD / Senior lecturer
<b>Research Collaborator (Host PI)</b>		Prof. Toshimichi Fujiwara
<p><b>Summary</b></p> <p>The international collaboration in 2021 “Structural insight into cold adaptation mechanism of FK506-binding protein from psychrophilic bacteria” was not conducted owing to the travel restrictions under the COVID-19 pandemics. Thus, we cannot present our Summary of 2021 Research Results Report.</p>
